PATIENT FINANCIAL POLICY:

All payments are due at the time of service unless other arrangements have been made prior to the visit. I authorize assignment of benefits for services received to be paid directly to Missouri Ozarks Community Health (MOCH). I understand that I am financially responsible for any balance, including but not limited to copays, deductibles, and self-pay balances. I authorize MOCH to release any medical information necessary to process claims and further authorize payment of medical, dental, and behavioral health benefits payable directly to MOCH. I understand that MOCH will file and complete the necessary steps to collect my insurance payment. However, if my insurance does not cover my service(s), I understand that I may be responsible for the charges associated with these services. I further understand that MOCH may not be contracted with my insurance plan and I agree that I am responsible for charges denied for such reasons. *I understand that it is not the responsible of MOCH to verify insurance benefits under my specific insurance plan and that I am encouraged to contact my insurance provider directly prior to receiving services.*

- Our **Sliding Fee Discount Program** is designed to help you pay for medical, dental, and behavioral health services provided by MOCH. If you would like to apply for our sliding fee discount program, please ask the front desk for a sliding fee program application or request an appointment with one of our Care Coordinators. You must complete the application and provide proof of income to qualify for the sliding fee discount prior to any appointment that you would like the sliding fee to apply to, unless prior arrangements have been made.
- Your child may be eligible for a Medicaid program so please ask for an appointment with one of our Care Coordinators to discuss further.
- Your payment today may be in the form of cash, check, credit card, or debit card. Your minimum co-pay is due at the time of check-in unless other arrangements have been made prior to the visit. Please ask to speak to a Supervisor if you have questions.
- If you participate in a health insurance network, MOCH will be happy to file the insurance claim on your behalf. It is your responsibility to pay the balance of any fees for services not covered under your insurance plan upon receipt of the bill or as agreed upon in your payment plan. Should you foresee needing financial assistance to pay this balance, you must complete the sliding fee application and provide proof of income before the time of service to be qualified for the slide at that time, unless prior arrangements have been made.
- If you do not participate in a health insurance network and if you have household income over 200% of the federal poverty guideline, payment is required in full for services you are receiving today. If there are any additional charges that are not collected at the time of service it is your responsibility to pay the balance of any fees for services upon receipt of the bill or as agreed upon in your payment plan.

Missouri Ozarks firmly believes that a good provider/patient relationship is based upon understanding and good communications. The above information is provided to avoid any misunderstandings. Questions about financial arrangements should be directed to our billing office at 1-417-683-5739. By signing below as the patient or legal custodian, you acknowledge that you have read this Patient Financial Policy sheet and agree to the terms stated above.
